

All we are, *everything*

God **CREATED** us to be,
becomes a *gift* when placed in his hands.

There's nothing he can't

MOLD, SHAPE, REDEEM,

Or **FORM** into something *beautiful.*

We don't have to be afraid or hold back—

we can just hold out our *hearts*

to the One who promises

to **COMPLETE** the *good work*

he's already started in us.
